Mrs Chrissy and Mrs Adams would like to thank the students in Prep, Grade 1 & 2 for all their hard work in the first half of the year and we look forward to working with them all again next term.

Thank you so much to Mrs Chrissy and Mrs Adams for their tireless dedication and effort with the students. Their achievements this term have been amazing and we are working towards our end goals for the year.

I would like to also thank the P&C and the members who continually put in the big hours to support our students and the fundraising efforts of the committee. These funds do go back into making our school great.

Finally, I hope everyone has a great break with their students and we will see you all back on the 11th July, ready to receive report cards and interview invites.

Thanks again,
Luke Morris
Principal

WALSH RIVER VICTORY

Last week we had the Walsh River Sports and all our students did their best. Congratulations to Cody who received the Spirit of the Games Award for our school. Congratulations to the Age Champions Cody and Alicia and the two runners up Champions Neo and Thomas. Seven of our students will go on to competing at District in July.

But the best of all, Mutchilba State School won the Walsh River District Sports Average Trophy. Thankyou to all the parents who helped out on the day by supporting us and a big thankyou to Mrs Adams for your hard work.
